# P-17: Exercise and Contingency Operations

## IPC (Initial Planning Conference):

- Exercise Lead:
  - Identify geographic locations and materials needing DER support.
  - Obtain and provide historical fuel sales data from DLA Energy Region (DER).
- Service Components:
  - Assist in developing the DER fuel support CONOPS
- DER:
  - Provides historical sales to Exercise Lead

## Between IPC and MPC:

- DER:
  - Researches/identifies sourcing options (DFSP, International Agreements, Government Fuel Card or DDF PC&S). Provides historical sales to Exercise Lead
  - Assist Exercise lead/Service Components with developing a notional 2053 (after the IPC before MPC)

**\*\*\*Submit a notional DLA 2053 Requirements Worksheet Form to the DER\*\*\***

# P-17: Exercise and Contingency Operations

## **MPC (Mid Planning Conference):**

- Service Components:
  - Identify fuel additive requirements
  - Assist with updating DER support fuel requirements
  - Identify/gain system access requirements (EEBP/WAWF)
- DER:
  - Assist with fuel additive requirement
- Exercise Lead/Service Component:
  - Final updates to DLA 2053 submitted to JPO/SAPO/Components
  - Determine financial information (Ordering/Bill To DoDAAC for EEBP)
- JPO/SAPO/SCP:
  - Coordinate with DER to initiate and refine fuel support CONOPs
  - Reviews, validates requirements are consolidated, and submits DLA 2053 to DER

# P-17: Exercise and Contingency Operations

## FPC (Final Planning Conference):

- Exercise Lead/Service Components/JPO/SAPO/SCP:
  - Coordinate with DER for final validation on fuel CONOPs
  - All updates to the DLA 2053 Form
- DLA Energy:
  - Completes sourcing actions (updating ordering customer information in EEBP)
- DER:
  - Provides contracts terms & conditions i.e. place orders 30 days prior to the first scheduled delivery/changes to EEBP sale order NLT 7 days prior to delivery

## Execution:

- Exercise Lead/Service Components:
  - Sales orders/purchase requisitions are created based on contract terms and conditions
  - Action is taken on vendor receiving reports no later than 7 days after submissions

**\*\*\*DLA Energy Form 2053 must be submitted to DLA 120 days prior to 1st delivery\*\*\***
